*I just returned from Rail Across Canada with tour guide Lacey Berry. I have done several day trips and Haida Gwaii with her as well. I say can't say enough about her. She truly is an exceptional young gal. Enjoy the Journey is lucky to have her. Very friendly and patient - totally takes care of everyone's needs. Dedicated to her work that's for sure. Positive about the hiccups that happen along route and deals with them in a professional manner. The trip was fabulous with good weather across our beautiful country. Saw lots and thoroughly enjoyed the fall colours out east. A great way to see CANADA!!!*

### Trip Reviews

#### Barkerville

Eve-Lynn

Sel, you were fantastic!! Such a great professional, kind, gentle and amazing driver. I have been to Barkerville before, but you made it very special, and I was able to see Barkerville from a new perspective.

#### Tofino Storm Watching

Anne Marie

Just returned from Storm Watching tour at Tofino with Lacey Berry, our tour guide. Lacey is wonderful. I have mobility problems, and Lacey accommodated me cheerfully. Another Enjoy the Journey enjoyed!!!

#### Wells Gray with Tay Briggs

YC

Wells Grey, Enjoy the Journey was an awesome trip. Our driver was outstanding. All the people on the tour were so friendly, the locations for eating were great... It was a great experience seeing the waterfalls, and even the cinnamon bear... Then coming back by 5A was a delight, such beautiful scenery along the Nicola Valley.

#### Definitive Okanagan Wine

Lois

Just a note to say how much I enjoyed this outing. Everything was first class and it was a joy to meet Sel, what a delightful personality. "You saved the best for last" Miradoro was over the top, mainly because of the gracious host and hostess. From the setting to the first presentation, through the three course lunch, the feeling of being welcome remained evident. Thank you all for this professionally put together journey.

#### Desolation Sound + Princess Louisa Inlet

Dona

Did the 6-day Desolation Sound trip, wonderful and it met my expectations... Loved the walks in BC beautiful forests, the serenity of the boat cruises and foraging walk and dinner at Alexander Mcnaughton... its an adventure and learning trip... Thank you!

#### Rocky Mountain High

Julie

The Rocky Mountain High tour was exceptionally enjoyable, catered for seniors. We covered our timetable as scheduled. Our tour manager, Lacy Berry was an expert driver, friendly and good in anticipating our needs. It's all worth it!

#### Ultimate Northern Lights Yukon

Joyce

We were a group of 5 ladies on the Yukon tour. Had a fabulous time. Will be booking again.

#### Christmas in Victoria

Val

Highly recommended. My second time there and it was as enjoyable as the first. Great meals, accommodation and with Troy for our leader it could not have been better.

#### Haida Gwaii Inside Passage

Audrey

I recently returned from a terrific Enjoy The Journey tour to Haida Gwaii/Prince Rupert, and can honestly say it exceeded all my expectations! Our driver/guide, Sel, went over and above every day ensuring we were all safe, comfortable and properly fed and housed. We had the opportunity to see and experience everything available at this "bucket list" destination. The exposure to First Nation's artifacts, spiritual locations, drumming and dancing was authentic and stirring. If this experience is on your "bucket list", do it now - you won't be sorry! Vancouver based Enjoy The Journey.

#### Oaxaca Mexico

PJ

Just completed the 10-day Oaxaca trip to Mexico with Troy. Wonderful day adventures to very interesting sites. Great group of friendly fellow travellers. Definitely would recommend Enjoy the Journey for all the details that are taken care of. I've done other trips with them and keep returning.

#### Mystery Tour

SL

You know what? We've had a Wonderful! Marvellous! Amazing trip last Friday as well as the weather and the driver (Sel) it's really a Mystery Tour to remember!!! Good job indeed!!! Have a good day.

#### Manning Fall Colors

Natalia

We had a wonderful tour — Manning Fall Colors — organized by your company and led by your staff member Lucy. Having Lucy as our driver and guide added so much kindness and warmth to the trip. Not only is Lucy an excellent driver (as are all your staff members I've met on other tours), but she is also a truly wonderful person. I constantly saw how she helped elderly ladies and made sure everyone felt comfortable. I know that many others appreciated this very much as well. Thank you to your company and to Lucy for such pleasant memories. I hope to see you again on future trips.

#### Smuggler Cove - Marine Park

Loida

My first trip with Enjoy The Journey to Smuggler Cove on Aug. 6, 2025, was amazing. Lacey was an excellent tour manager and driver. She was friendly, patient, and attentive to our needs. I also enjoyed our delicious food. I won't hesitate to recommend Enjoy The Journey to my friends. Thank you, Lacey.

#### Sandi's Mystery Walking Tour

Yvonne

Please pass on that this was a fantastic tour and one that should be considered as keeping for Enjoy the Journey. It was a very fun and enjoyable experience.
