I just returned from Rail Across Canada with tour guide Lacey Berry. I have done several day trips and Haida Gwaii with her as well. I say can't say enough about her. She truly is an exceptional young gal. Enjoy the Journey is lucky to have her. Very friendly and patient - totally takes care of everyone's needs. Dedicated to her work that's for sure. Positive about the hiccups that happen along route and deals with them in a professional manner. The trip was fabulous with good weather across our beautiful country. Saw lots and thoroughly enjoyed the fall colours out east. A great way to see CANADA!!!

Thanks to the kindness and excellent organizational skills of our tour manager, we had an extraordinarily enjoyable holiday to Haida Gwaii. Our driver was extremely competent and helpful to our group of enthusiastic travellers. A fabulous experience! Thank you, Enjoy The Journey.

Haida Gwaii Inside Passage

Audrey

I recently returned from a terrific Enjoy The Journey tour to Haida Gwaii/Prince Rupert, and can honestly say it exceeded all my expectations! Our driver/guide, Sel, went over and above every day, ensuring we were all safe, comfortable and properly fed and housed. We had the opportunity to see and experience everything available at this "bucket list" destination. The exposure to First Nations' artifacts, spiritual locations, drumming and dancing was authentic and stirring. If this experience is on your "bucket list", do it now - you won't be sorry! Vancouver-based Enjoy The Journey.
